FLUORINE CONTAINING REAGENTS (HARDBACK)

John Wiley and Sons Ltd, United States, 2007. Hardback. Book Condition: New. New.. 286 x 222 mm. Language: English . Brand New Book. Another hot-topic volume in the Handbook of Reagents for Organic Synthesis series! This is the first book with all relevant Fluorine containing reagents, and it is an important addition to the vast list of existing books on organic and inorganic Fluorine synthesis. Synthetic chemists, most particularly medicinal and pharmaceutical chemists, are often called upon to prepare compounds...

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

-- **Cale Hansen Sr.**

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.
