BRAND NEW, Job Interview Success: Be Your Own Coach, Jenny Rogers, "Jenny Rogers has made an exhaustive study of those daunting occasions called job interviews and has a wealth of thoroughly sensible advice to offer. She's far from advocating a one-size-fits-all formula and she certainly doesn't favour that pushy, Young Apprentice approach, which must surely do far more harm than good. In essence, she helps people be their individual selves; but at their best - neither quivering with nervousness nor putting on an unconvincing act." Jeremy Bullmore, Management Today One of the most important keys to achieving success in your career is the ability to impress at interview. Although it is fundamental to getting any job, the interview is still an experience most professionals dread. The fears of losing face, drying up and ultimately failing to get the job can lead to nervousness and low confidence. In this book, Jenny Rogers offers practical advice on research and preparation, giving guidance on how to behave during the whole selection process and present your skills and experience in a relevant manner. Handling the preliminaries and the actual interview -- from personal presentation to asking questions - and what to do when you are offered the job are also examined.
