Brand New Book ***** Print on Demand *****.Excerpt from *Novels and Romances, Vol. 7 of 8* Adjoining the Vintry Wharf, and at the corner of a narrow lane communicating with Thames-street, there stood, in the early part of the seventeenth century, a tavern called the Three Cranes. This old and renowned place of entertainment had then been in existence more than two hundred years, though under other designations. In the reign of Richard II., when it was first established, it was styled the Painted Tavern, from the circumstance of its outer walls being fancifully coloured and adorned with Bacchanalian devices. But these decorations went out of fashion in time, and the tavern, somewhat changing its external features, though preserving all its internal comforts and accommodation, assumed the name of the Three Crowns, under which title it continued until the accession of Elizabeth, when it became (by a slight modification) the Three Cranes; and so remained in the days of her successor, and, indeed, long afterwards. Not that the last-adopted denomination had any reference, as might be supposed, to the three huge wooden instruments on the wharf, employed with ropes and pulleys to unload the lighters and other vessels that brought up butts and hogsheads of wine from the larger craft below bridge, and constantly thronged the banks; though, no doubt, they indirectly suggested it. The Three Cranes depicted on the large sign-board, suspended in front of the tavern, were long-necked, long-beaked birds, each with a golden fish in its bill.
