Have you ever blamed or criticized God for something bad that happened to you? Do you feel like confronting and taking Him to task for all the rubbish that is happening around? Yes, I do feel angry at God sometimes. Then why don't you become an atheist? But how will that help? Isn't that something with not believing in God? Well, becoming an atheist has several advantages. Firstly, you can quickly become famous. If you take the traditional route of becoming famous by believing in God, it may take a long time, and there is no guarantee because gods are not very generous with boons nowadays. Secondly, as an atheist you are free from everything. You can now make fun of religious people, live life anyway you want, have no fears of punishment in hell, automatically become a scientific person, commit sins freely, don't have to blame God for anything, get noticed in a crowd, etc. And you can also lambast God freely without any guilt or bad feelings. Hmm, sounds interesting. Aha, you are now curious to know how to become an atheist, right? Then look no further. Everything you wanted to know about how to become an atheist, but were too embarrassed to ask, is available right here in this nutty book. It contains the most comprehensive specifications and dos and don'ts for every aspiring atheist. So let us get started before God accidentally appears before you and spoils your plans. This item ships from La Vergne, TN. Paperback.
