HERMAN THE HERMIT CRAB

PC KIDS. Paperback. Book Condition: New. Jennifer Tipton Cappoen (illustrator). Paperback. 40 pages. Dimensions: 8.4in. x 8.3in. x 0.2in. During a seashell hunt on Oak Island in North Carolina, the author of this charming picture book encountered Herman the hermit crab. Herman was the only one in his seaside traveling pack of hermit crabs that didn't have a shell. Or did he? His was a tiny one at the end of his tail. He had long since outgrown his former home. The rhyming text and peaceful illustrations will put readers in the middle of the beach scene. The author has emotionally described her transition from feelings of mirth to ones of sadness for poor Herman who didn't have a home. Her decision to help Herman and what happens after that will delight readers and listeners alike. You will be able to hear the gentle lapping of the waves as you enjoy reading and rereading this book with or to a young reader. And I guarantee that you will never look at a seemingly empty shell in the same way that you did before. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
