THIS MAN S ARMY: A WAR IN FIFTY-ODD SONNETS (PAPERBACK)

[DOWNLOAD](#)

University of South Carolina Press, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a newly restored vision of World War I in verse from a talented - and largely unknown - American soldier-poet. First published in 1928, *This Man s Army: A War in Fifty-Odd Sonnets* is a gripping collection of narrative verse that represents the beginning and end of the promising literary career of John Allan Wyeth, a Princeton-educated French interpreter in the American Expeditionary Force s Thirty-third Division. Though it received strong reviews and enough sales to warrant a trade edition in 1929, the volume faced the insurmountable adversary of the Great Depression, and its author soon vanished from the literary scene. This new edition of *This Man s Army* restores to print a lost vantage point on the American experience in the Great War as valuable for its high literary merits as for its historical accuracy. The new introduction by Dana Gioia, chairman of the National Endowment for the Arts, chronicles the life of the elusive author and maps the book s critical reception and place in World War I poetry, while new annotations by military historian B. J. Omanson establish the historical context of individual poems. Wyeth (1894-1981), the son of a prominent New York medical family, had just completed a master s degree in French at Princeton when the United States entered World War I in 1917 and he was motivated into service. His fluency in French garnered him a position in the Interpreters Corps as a second lieutenant in the Thirty-third Division deployed to France and Belgium, and he served in this capacity until his discharge in October 1919. *This Man s Army* is an autobiographical account of Wyeth s service years,...
