Reviews

I actually started reading this article ebook. I actually have read and i also am certain that i will likely to go through once again again in the future. You are going to like just how the article writer compose this ebook.

(Mariane Kerluke)

RESULTS ACT: OBSERVATIONS ON THE DEPARTMENT OF TRANSPORTATIONS DRAFT STRATEGIC PLAN: RCED-97-208R

Bibliogov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO reviewed the draft strategic plan submitted by the Department of Transportation (DOT), as required by the Government Performance and Results Act of 1993. GAO noted that: (1) DOT has undertaken a significant amount of work collecting and analyzing information while preparing its draft strategic plan; (2) the plan, however, does not reflect enough of this information and, overall, is so general that clearly identifying DOTs priorities is difficult; (3) the plan does not meet the acts requirements to describe: (a) strategies for achieving DOTs long-term goals; (b) a linkage between DOTs long-term goals and annual performance goals; and (c) those key external factors that could significantly affect DOTs achieving its goals; (4) DOTs draft strategic plan appears to reflect the Departments key statutory authorities; (5) however, because the plan lacks precision, these statutory authorities are reflected at a very high level of generality; (6) the plan does not show evidence that the Department coordinated with other agencies that have programs and activities that are crosscutting or similar to DOTs; (7) the plan recognizes that there are other stakeholders for DOTs long-term goals and provides for building or establishing partnerships with these federal, state, and local governments and the transportation industry; (8) however, except for the Department of Defense, the plan does not identify specific stakeholders; (9) the plan does not identify the crosscutting or overlapping programs, explain how the activities and programs of other stakeholders could affect DOTs achieving the goals, and describe how DOT plans to coordinate with other stakeholders; (10) DOTs draft strategic plan does not adequately address major management challenges and high-risk areas that GAO has previously identified in its reports and...
