By Moses King

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Back-Bay District and the Vendome What men can do to make Nature subservient to them is well shown in the district which is to be described briefly in the following pages. Only thirty years ago this territory was in reality a back bay: in one part the boys were wont to skate and swim, in another the refuse of the city was dumped, and in still another boats and various crafts used to sail. To-day that same district is one of the grandest architectural section in the world. It is intersected by the most fashionable thorough-fares of the aristocratic Bostonians; the broad avenues, running parallel to one another, having already done much to take away Boston's past fame of being a city of crooked lanes and narrow, winding streets. It is in this district that my specimens of the best modern architecture have been erected; the latest and costliest, and in many respects the most imposing, as well as the most central of which, in the Vendome, one of the finest hotel structures in...
