BookBaby, United States, 2016. Hardback. Book Condition: New. 218 x 147 mm. Language: English . Brand New Book. Undiagnosed, Unscrupulous and Unbeatable chronicles the life of a quick-witted Jewish kid who battled child abuse, manic depression, personality disorder and alcohol to become one of history's greatest and most controversial handball players. Multi-millionaire Robert Kendler and others became his unwitting sponsors, providing money and excuses for his irresponsible actions, while applauding his unprecedented string of victories on the handball circuit. The unflappable dark prince of handball was unfazed by authority. Time in jail, probation and commitment to a state mental institution provided colorful gossip but no real changes to the character of the unbeatable champ. Even his lucky escape from the Chicago Mob had little impact on Haber, until later. Four failed marriages and an equal number of fatherless kids made for an interesting challenge for lawyers and court-ordered support demands. Haber's callous disregard for responsibility equally matched his disdain for his opponents in handball. His reputation as a womanizer...
