Many ancient civilizations have influenced and inspired people in the 21st century, like the Greeks and the Romans, but of all the worlds civilizations, none have intrigued people more than the Mayans, whose culture, astronomy, language, and mysterious disappearance all continue to captivate people. At the heart of the fascination is Chichn Itz, the most visited Mayan site, but Chichn Itzs prominence lasted for less than 200 years and was eventually succeeded by Mayapn, which lasted as the capital of the Maya for nearly 225 years until the middle of the 15th century. The Mayans are still remembered and celebrated for their culture and their contributions to astronomy, language, and sports, and many of their advancements came with Mayapn as their capital. Early Mayapn was closely connected to the overshadowing power of the region at the time: the mighty trading city of Chichn Itz. Mayapn emerged first as a minor settlement in the orbit of Chichn, but it slowly came to replace it after the larger citys trade connections with the...
