Listen Love Lead Companies. Paperback. Book Condition: New. Paperback. 296 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. The Road to Royalty is a story of a journey. It begins with a fictional adventure in which several characters from a small post-industrial city seek to discover the truth about a place called the Kings Country. This short story, taken entirely from a dream, ends with a question that the author proceeds to explore through the remainder of the book. Unlike most Christian lifestyle books, this book presents the question and its answers within the context of a story. The plot is easy to follow, fun to read, and thought provoking in its depth. Within these pages, the author uses his own life as a test case to prove the ideas that most people will only think about. His straightforward insights into why we think, act, and behave as we do will leave you asking questions about life in Christ that you have never before considered. These questions have an answer, but the author does not pretend to know it in full. Instead, he describes the path he has discovered to this answer and invites you to walk with him on The Road to Royalty. Authors Note Road to Royalty: A Journey to Relationship is a story of freedom! It begins in the shadows of the human soul where a man held captive by the treachery of wealth and religion, waited hopelessly for death to end his pointless existence. Desperate, he cried for help and listened for an answer. Then from beyond the darkness, a light pierced through the shadow and revealed the truth that is outlined here. Taken from his journals, the Road to Royalty follows the authors journey to discover the secret The journey he took cannot provide a roadmap for...
