

Ed466 073 - To Light a Beacon: What Administrators Can Do to Make Schools Successful for All Students, Eric/Osep Topical Brief (Paperback)

Filesize: 4.26 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

ED466 073 - TO LIGHT A BEACON: WHAT ADMINISTRATORS CAN DO TO MAKE SCHOOLS SUCCESSFUL FOR ALL STUDENTS, ERIC/OSEP TOPICAL BRIEF (PAPERBACK)

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.In some schools, students with disabilities achieve exemplary results. To find out what these schools do that set them apart, the U.S. Office of Special Education Programs sponsored a series of studies focused on Beacons of Excellence Schools.¹¹ This topical brief highlights results from three of these studies. The University of Maryland study identified indicators that may be used by elementary and middle school administrators to focus school improvement efforts on behalf of students with disabilities. Leadership was found to be a major variable within the Beacons of Excellence Schools. The University of Minnesota and the Council for Exceptional Children identified key characteristics of high-performing secondary schools. Features leading to success were implementation of a common vision through active leadership, stakeholder involvement, instructional innovation and professional development, high expectations for student achievement, and collaboration between general and special educators. The Education Development Center, Inc. discovered how urban middle schools combine knowledge of features that lead to excellent general education with strategies for including students with disabilities in general education classrooms. Strategies included culturally responsive teaching, investigative learning, school-wide inclusive practices, and specific instructional practices that put the schools' stated philosophies into practice.
