Beatrex Quntanna, United States, 2014. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.2015 The Year of Prosperity Follow Mark Twain's rule, Sing like no one's listening, love like you've never been hurt, dance like nobody's watching, and live like it's Heaven on Earth. Yes! The tide turns this year as we move beyond the polarized forces that have haunted us since 2012 began. We can now open ourselves to good fortune, universal love, expansion, community spirit, inspired thinking, and the courage to accept abundance. Exchange the restriction of polarity for the ability to combine power with opportunity. Often we confuse manifesting with money, and in so doing, we deny and limit the idea of prosperity. The Earth is filled with all that is required for abundant living. Be open to receive all that life has to offer. Put on your dancing shoes and get ready to party through the year with bliss in your heart living love every day! Journey through 2015 with: A monthly calendar with retrogrades, void moons, solar, and planetary changes Easy-to-understand astrological highlights of the month The ever-popular Tibetan Numerology of the Day by Michael Makay Super-sensitivity and low-vitality days Astro-charts for each New and Full Moon Guidelines for Co-Creating and setting yourself Free Dimensional Astrology Choice Points provide a deeper understanding of the Moon phase Beatrex Quntanna's annual Living by the Light of the Moon Book has helped me, and countless students of my moon meditation group, manifest with the moon cycles for more than 17 years. Each annual book is unique and soul transforming. I am so grateful for the devotion of Beatrex in helping others with her knowledge of manifesting with the moon cycles. - Cynde...
