Yes, teaching has been tagged as the noblest of all professions and this is an idea that stands solid up to this time.For newbies in the education sector, teaching might seem to be a difficult job. Yes, this is correct but once armed with the tools, skills, and techniques, a teacher will find his or her job has become easier. Yes, one of the joys of teaching is to see young kids grow into mature, young individuals under your guidance. This is something that all teachers will want to achieve.To be able to accomplish this ultimate goal, a teacher must always get immersed in the process of learning new things. The concept of not being able to give what you don't have applies here.There are many teachers out there today but only a few would really admit to being totally effective. Students, curriculum, educational settings, and other similar things evolve. It is the duty of every educator to work out ways on which to keep up with this. Lifelong learning which includes the acquisition of new skills and knowledge applies to all of us. This can be acquired through formal (training) and informal (research,...
