Bringing several persons of different tastes, pursuits, habits, and modes of thought together, we made them discourse to each other upon their favourite topics, and occasionally making allusion to places, objects, and circumstances in the neighbourhood. These papers appeared originally in the Field, and apparently created considerable interest, judging by the repeated requests which have been made to us to re-print them in a collected form. We now comply with that request. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
