Rosetta Stone Ltd. CD-ROM. Book Condition: new. BRAND NEW, Rosetta Stone Irish Complete Course, With Rosetta Stone you learn a new language in a way similar to how you learned your first language. You learn by simply connecting words, images and sounds in realistic scenarios, and as a result you naturally discover what each word means without the need for translation. We call it immersion and you can experience it right on your computer. You start speaking from the very first lesson and build confidence fast as you progress through the course. Our award-winning language-learning solution presents a variety of vocabulary, grammar, and real-life conversation scenarios so you quickly build a repertoire that you can use in everyday situations. Rosetta Course Enjoy hours of engaging content and learn at your own pace for as long as you want. Rosetta Course is ideal for people who prefer to learn without the need for internet access. Rosetta Course comes complete with the following: Dynamic Immersion our award-winning method where you learn your new language in real-life scenarios, preparing you to speak confidently. Speech recognition technology providing you with instant feedback to help you polish your pronunciation. Adaptive Recall feature that helps transfer what you've covered in previous lessons to long term memory, by letting you know when it's time to review what you've learned. Millions of people worldwide have trusted Rosetta Stone to help them learn a new language. Our proven method offers a practical, step-by-step solution towards conversation proficiency. Here is an overview of what you'll learn:- Complete course Takes you from total beginner to conversational proficiency, this product includes Level 1 Course and you learn to engage in social interactions, share ideas, express feelings, negotiate complex situations, engage in general discussions and much more. Rosetta Stone is the most effective...
