The Emergence Of A New Generation is a wake-up call for today's youth in the Body of Christ to rise up and pursue their God-given assignment, dreams and purposes. In every generation, God has an agenda. Now, the current influx of youthful men and women participating in business, politics, technology, religion and other spheres of life is an indication that there is a new generation of young men and women emerging to take over the affairs of their generation. One generation passeth away, and another generation cometh (Ecclesiastes 1: 4). The Emergence of a New Generation is a bold declaration that the youths of today are well positioned for exploits. This book calls on every young person to position themselves and achieve great things for the Lord. Because of the magnitude of work involved in Kingdom living, every believer must aspire to become God's best. This book will let you understand that God has an assignment for every believer. The harvest is truly great, but the labourers are few. The Emergence of A New Generation combines Biblical, Contemporary Christian and business history to provide precedence of young people's involvement in the past to impact their generation. Genesis 15: 13-14 is the premise on which this book is written. In a single vision, God spoke about two different generations in the context of the Scriptures above. If you are familiar with the biblical accounts of Abraham's descendants' servitude in Egypt, it is clear that it was through Joseph the Israelites went to Egypt. Genesis 15: 13 was fulfilled through Joseph. After he was sold into slavery, his brothers later joined him in Egypt. Exodus 1: 6 captures Joseph and...
