By Associate Professor Thomas J Parente, Tom Parente, Dr Thomas J Parente

Createspace, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This little piano book consists of Christmas music that I have arranged for their simplicity and beauty. Making music is our birthright, and nothing else can satisfy this need - so congratulations on taking this step; you are about to embark on a wonderful adventure! In the words of the wonderful and inspiring pianist and teacher Arminda Canteros, with whom I studied many years ago, Playing the piano is like love. The more you give to it, the more that comes back, which then grows your love to give again. I sincerely hope that the spiritual uplift that can be yours through playing these carols will allow for this loop of love to take hold as it has for me and countless others who have taken solace, expressed joy, celebrated happy occasions, entertained, and simply had fun through contact with the piano's wonderful keys - keys to happiness, keys to fulfillment, and keys to living.
