Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Now Georgie runs the luxury bag concession at Carrington s Department store in the pretty seaside town of Mulberry Bay and her lavish spending is confined to a red velvet cupcake with butter cream icing in Carrington s cafe. But her plans for a quiet life are thwarted when Carrington s goes into a recession-busting makeover and soon, with the arrival of Maxine, wielding the axe in her immaculately manicured hands, Georgie is fighting not only for her job, but also for the attentions of her dishy boss, James. And when newcomer Tom arrives, who may or may not be the best thing since sliced bread, Georgie must decide where her loyalties really lie.
