

Natural Beekeeping with Ross Conrad

By Ross Conrad

Chelsea Green Publishing Co, United States, 2012. DVD. Book Condition: New. 180 x 138 mm. Language: English . Brand New Book. The various chemicals used in beekeeping have, for the past decades, held Varroa Destructor, a mite, and other major pests at bay, but chemical resistance is building and evolution threatens to overtake the best that laboratory chemists have to offer. In fact, there is evidence that chemical treatments are making the problem worse. Ross Conrad flips the script on traditional approaches by proposing a program of selective breeding and natural hive management. This filmed workshop follows Ross Conrad through the dos and don'ts of natural beekeeping, and offers practical information including details on apitherapy, the use of bee products in medicinal healing every aspiring beekeeper needs to know. Including in-the-field footage of the author and his hives, and extensive information on: Beekeeping Equipment Tools and Clothing Bee Space The Basics of Honey Bee Biology Varroa Mites - Biology, Identification and Monitoring Varroa Mite Control Other Pests and Predators of the Honey Bee Common Hive Diseases Feeding Bees Honey Harvesting Ross Conrad is the author of Natural Beekeeping (Chelsea Green, 2007), where he brought together the best organic and natural...
