Gunlin, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Before you die, you must divest yourself of all your worldly goods. That is The Naked Law of a new world order. But if you keep telling stories, or if you keep making art, you may just delay The Final Reckoning. This dystopian novel uses a blog format and a chorus of voices to deal with contemporary issues including climate change, clutter and hoarding, living simply, creativity, death and dying. The Naked Law opens with the launch of a blog that shares stories about life after The Final Catastrophe. You will hear from a chorus of voices including Sheri, a collector who is preparing for her day in court to argue against the Essential Goods Inventory form; Laszlo the Fixer, an old world rebel who helped rebuild society after The Great Resolve; and Amy Anderson, author of the Clutter-Buster s blog. You will also encounter Lena Lorca, an artist struggling with creativity and death in a brave new world.
