Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.quot;It is war between the North and the South, Uncle Horatio, and I suppose my father did not feel like writing any letters. Gerty never writes any letters if she can help it,quot; Corny explained. quot;But Gerty used to write to Florry about once a week.quot; quot;Did she? I didn t know it. She never would write to me when I was away from home,quot; said Corny, who seemed to be very anxious not to say anything that was not consistent with the present situation, whatever it was. quot;When I parted with my brother on board of the Bellevite, both of us shed tears as we realized that war made enemies of us; but each of us promised to do all he could for the other in case of need. I am very sure that there was not the slightest unkind feeling between us. Of course, I did not expect him to write me the war news, but I think he could have written a few lines without any allusion to the war,quot; said Captain Passford, pained at this want of filial affection on the part of his brother.
