

50 Specialty Libraries of New York City: From Botany to Magic (Paperback)

Filesize: 4.68 MB

Reviews

The book is fantastic and great. It normally will not cost an excessive amount of. I am just easily could possibly get a satisfaction of reading a published ebook.

(Edgar Witting)

50 SPECIALTY LIBRARIES OF NEW YORK CITY: FROM BOTANY TO MAGIC (PAPERBACK)

ELSEVIER SCIENCE TECHNOLOGY, United Kingdom, 2016. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. Everyone knows that New York maintains one of the great library systems in the world - the two lions that guard the 42nd street library among the most important icons in the city. Less well known are a host of specialty libraries that have grown up around the rich intellectual and cultural life of New York City. There are a number of libraries that serve genealogical researchers, but also libraries catering to Spanish, German, French and Russian speakers. There is a library of books about dogs and one that is based on the work of Carl Jung. A library in Staten Island checks out tools to homeowners rebuilding after Hurricane Sandy. Fifty Specialty Libraries of New York City will be a tour of highly specialized but publicly accessible libraries in Manhattan and the Outer Boroughs. In each case, access is described, and an interview with the director or supervisor is presented. This book is a unique information source for all those librarians and researchers interested in the rich cultural heritage of New York s libraries. * Goes beyond the directory format to give thoughtful commentary and interview material on each library* Refers the reader to current information* Written by a librarian with 50 years experience of public, academic, and special libraries, and with a deep feeling for New York* Gives an account of 50 speciality libraries of New York City, from small subscription libraries to the UN Library* Presents information on libraries that are little-known and widely useful in New York.
