On the principle that 'mastering any art is a continuing process,' they continued, during the years since the publication of the now-celebrated Volume One, to search out and sample new recipes among the classic dishes and regional specialties of France-cooking, conferring, tasting, revising, perfecting. Out of their discoveries they have made, for Volume Two, a brilliant selection of precisely those recipes that will not only add to the repertory but will, above all, bring the reader to a yet higher level of mastering the art of French cooking. This second volume enables Americans, working with American ingredients, in American kitchens, to achieve those incomparable flavors and aromas that bring up a rush of memories-of lunch at a country inn in Provence, of an evening at a great Paris restaurant, of the essential cooking of France. Among its many treasures: -...
