ROAD TO SANTIAGO

National Geographic Books. Hardback. Book Condition: new. BRAND NEW, Road to Santiago, Kathryn Harrison, Displaying her "real talent for conjuring far-flung times and places," Kathryn Harrison tells the mesmerizing story of her 200-mile pilgrimage to Santiago de Compostela in Spain. In the spring of 1999, Kathryn Harrison set out to walk the centuries-old pilgrim route to Santiago de Compostela. "Not a vacation, " she calls it, "but a time out of time." With a heavy pack, no hotel reservations, and little Spanish, she wanted an experience that would be both physically and psychically demanding. No pain, no gain, she thought, and she had some important things to contemplate. But the pilgrim road was spattered with violets and punctuated by medieval churches and alpine views, and, despite the exhaustion, aching knees, and brutal sun, she was unexpectedly flooded with joy and gratitude for life's gifts. "Why do I like this road?" she writes. "Why do I love it? What can be the comfort of understanding my footprint as just one among the millions? . While I'm walking I feel myself alive, feel my small life burning brightly." Throughout this deeply personal and revealing memoir of her journey, first made alone and later in the company of her daughter, Harrison blends striking images of the route and her fellow pilgrims with reflections on the redemptive power of pilgrimages, mortality, family, the nature of endurance, the past and future, the mystery of friendship. The Road to Santiago is an exquisitely written, courageous, and irresistible portrait of a personal pilgrimage in search of a broader understanding of life and self.
