WestBow Press A Division of Thomas Nelson. Hardcover. Book Condition: New. Hardcover. 120 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. I was raised in Essexville, Michigan, with my two brothers and two sisters. My exposure to Christianity was because of my mother, who took us to a Community Baptist church most Sundays. When I was eleven years of age, I heard a clear voice say that He would give me until I'm thirty-five. There was no one around, so I thought my mind was playing tricks on me. Years later, as I approached the age of thirty-five, it seemed that everywhere I went, someone was sharing the Gospel with me. I listened to what they said, but I thought I was already a believer, since my wife and I went to church almost every Sunday. I started to read the Bible, beginning at page one. Many days later, as I read in the book of Isaiah, Jesus Christ became alive, and then I could understand the Scriptures. I was thirty-five at that time, and then God reminded me of the experience I had at the age of eleven! The years that followed included the activity of various offices within the church, and different cabinet positions in the Gideons International organization. I pray that God will use this book to strengthen the believers and assist others to believe on the Lord Jesus Christ. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
