McGraw-Hill Education - Europe. Hardback. Book Condition: new. BRAND NEW, Grow Your Investments with the Best Mutual Funds and ETF's: Making Long-Term Investment Decisions with the Best Funds Today, Stephen McKee, Take control of your financial security today by managing those who manage your money Grow Your Investments With The Best Mutual Funds And ETFs frees your money from disconnected wealth-management practices to manage the managers approach to achieving the greatest returns with the least amounts of risk. Financial advisors sell you on their services by highlighting such benefits as low-fee investment vehicles, the long history of their company, and past performance. Unfortunately, none of these factors necessarily increases your personal wealth or reduces risk or increases return. With the evolutionary Comet System of investing, you can mine concrete numbers to identify the highest-performing funds relative to risk in a given time period to proactively allocate your investments into the leaders as they change. As secular bull and bear markets wax and wane, your money stays in the sectors best suited for the given environment to avoid wealth-killing losses that may take decades to recoup. Regardless of your experience level, you can start using this simple, intuitive system right away to: Build your portfolio of funds to monitor and invest in effectively to grow and protect your portfolio by staying with the leaders and avoiding the laggards Boost the performance from your existing 401k fund choices and avoid devastating losses due to market declines Make informed investing decisions as you account for your age and personal circumstances Stop paying ongoing fees on investment vehicles that fail to produce impressive returns for the risk taken Overcome the status quo and realize the wealth you deserve by choosing the right investment at the right time with Grow Your Investments With The Best...
