Createspace, United States, 2013. Paperback. Book Condition: New. MR Don G Ford (illustrator). 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I attempt to write in every genre; horror is no exception. Even though I teach classes in Creative Writing and Writing For Publication, I enjoy putting on a fright show from time to time. Every door you open here may not creak, but I d still be watching my back if I were you. I m not here to scare people; it just happens. Fear is an emotion, as much as we try to conquer it, it gets the best of us from time to time. If I were you I d pop some corn and crack a soda before I sat down to read this one (These ones). As a Storyteller, every tale is a stand alone piece, and nothing like the next one. Enjoy! I don t pattern my stories after anyone else s work, but some of it may sound a bit like a Twilight Zone episode. That wasn t my plan, but I do admire Rod Serling s work. On the scale of one to ten, his work always hits an 11 for storytelling in my opinion. Some of these you will want to get in and get out of as quickly as you can; in some cases I d head for the nearest exit. If you are ready to get into this book, remember that I warned you.
