Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Cornerstone. Paperback. Book Condition: new. BRAND NEW, All Around the Town, Mary Higgins Clark, When Professor Allan Grant is found stabbed to death, all the evidence points to an obsessed student, 21-year-old Laurie Kenyon. She sent him passionate letters, stalked him, watched him through his study window. And after the murder, she wakes up in her dormitory, covered in blood and clutching the knife that killed him, with no memory of the brutal crime. Laurie's sister and attorney, Sarah, is the only one who understands Laurie's daily nightmare and the shocking lingering effects of a childhood kidnapping too hideous to be recalled. Laurie's abductors - Bic Hawkins and his wife Opal, now prominent TV evangelists - fear she will start to remember her life with them. They must ensure that her past remains buried at all costs, even if it means Bic has to carry out the murderous threat he made all those years ago to a terrified girl.
