Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I Ching Mathematics: The Science of Change permits extended interpretations of I Ching divinations based on mathematical permutations of the single hexagram and line changes obtained through either the coin or yarrow stalk method. The culmination of 45 years of study, this text will materially add to every diviner's repertoire of interpretive skills. Those using the King Wen version may purchase I Ching Mathematics for the King Wen Version instead, which converts the present work into the King Wen sequence. This first volume of Researches on the Toltec I Ching sets forth an entire new science by which to interpret and analyze the inner workings of the sacred technology surrounding the ancient Oracle. The Oracle is that aspect of the numinous that speaks directly to human beings. It is the spiritual half of nature that has, of old, been called the World Soul and, more recently, the Imaginal. It has had numerous incarnations as a divinatory instrument among various cultures but none of those have approached the elegant marriage of complexity and simplicity that marks the system of the I Ching. Nor have any of those other sacred technologies garnered the serious attention and research of so many brilliant men and women across the past three-and-a-half millennia. Times change and with them, the most long-lived relics of human experience. Indeed, change they must if they are to continue being a living part of human experience that extends forward into an increasingly complex future. The core essence of such sacred technologies-those systematized mechanisms by which human awareness comes into unmediated contact with the numinous reality of which it is a part-do not, of course, change. What changes is...
