

A Synopsis of Medical Treatment (Classic Reprint) (Paperback)

By George Cheever Shattuck

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Principles of Medical Treatment by George Cheever Shattuck is a comprehensive account of the most common ailments and diseases faced by man. As the author suggests, the intention of this work is not to stress on methods of curing medical problems but rather an attempt to identify common strands and principles of medical treatment for various diseases. The manner in which the details regarding each disease are provided is refreshing and easy to grasp for the reader. Shattuck has consciously kept the format straightforward and simple in order to allow the reader to gain maximum knowledge from this work. Principles of Medical Treatment opens with cardiac ailments and from there moves on to various other types including nephritis, pulmonary tuberculosis, acute infections and the prescription and use of common and uncommon drugs. Shattuck identifies certain parameters for understanding principles of medical treatment which are common across different ailments. These include rest, suitable diet, simulation and regulation of mode of life among others. Shattuck's work is exhaustive as it contains within it a note on almost...
