Reed, As the baby-boomer generation ages, nursing home care is likely to become a major social problem. Reed focuses on the following key points: the legal requirements of nursing homes regarding delivery of care; the ways in which many nursing homes regularly break these laws; detailed descriptions of how the typical nursing home operates; the responsibilities of each nursing home employee; nursing home inspections; residents' rights; how to avoid substandard care; and, what actions to take to improve nursing home life.
