Unjust Rewards: Ending the Greed That is Bankrupting Britain

By Polly Toynbee, David Walker

Granta Books. Paperback. Book Condition: new. BRAND NEW, Unjust Rewards: Ending the Greed That is Bankrupting Britain, Polly Toynbee, David Walker, The rich are getting richer and the poor are getting poorer. In this urgent polemic, "Guardian" journalist Polly Toynbee and the "Guardian's" economics editor David Walker present a worrying portrait of Britain today. Their gripping investigation takes them to the editor of "Tatler", who bemoans paying private school fees on a middle class salary and to young city lawyers who justify earning 100 times more than teachers because they work so hard. Polly Toynbee and David Walker shred the myth that executives require astronomical salaries, and put the case for higher taxation of the very rich. This was once the heart of Labor ideology, but politicians now seem almost embarrassed to raise the subject. Toynbee and Walker demolish the arguments against higher taxation, and show how government policy could revitalize British society. "Unjust Rewards" sets the agenda for the next general election.
